

## VBC VET CLINIC ANGEL FUND PROGRAM

**ALL** pets will be given a rabies vaccine unless proof of vaccine (by a veterinarian) is presented. Cost of vaccines is \$14.42 in addition to sterilization fee (required by law) \_\_\_\_\_

Is your pet feeling well today? Yes or No      Is your pet in heat or pregnant? Yes or No  
(additional charge may apply )

**ALL** pets will be treated if live fleas or ticks are found. The cost is an additional \$15.00 \_\_\_\_\_

The following services are offered as part of the Angel Fund Spay/Neuter Program at subsidized rates.

**Please circle "Yes" or "No"** to accept or decline the following procedures.
